

## **Request for information from other Member State**

Within the scope of a number of Directives and/or European Regulations, the Council, in order to simplify the procedures and the administrative cooperation required to examine an application of a member for registration may, through the IMI System, request and receive information from the Competent Authority of another Member State concerning the applicant, in which the applicant has stated he is a registered member.

The Coordinators for the IMI System may also act as Competent Authorities and as such may send or receive requests for information.
